

# DIAMOND & PLATINUM MESH TOP ASSEMBLY

IF YOU HAVE ANY QUESTIONS, PLEASE CALL 1-800-760-3841.

- Step 1 – Assemble your new kennel, positioning the gate and side panels as shown, so that the top panels will fit correctly.
- Step 2 – Place the top panels on the kennel (over the vertical frame posts), as shown by the dotted lines.
- Step 3 – Secure the bolts where shown, to support the panels.
- Step 4 – Additional bolts can be added at corners, to "lock" the tops underneath the kennel frame.
